## Way to Go Martha!!

Big congratulations to Kitchell employee-owner **Martha Estrada** for winning the CIEF CREATE Mentoring Program's **Outstanding New Mentor of the Year award!** The CREATE Mentoring Program exists to educate and inspire high school students to pursue career pathways which create the built environment, a mission which Kitchell CEM passionately shares. Kudos to Martha for this awesome achievement!

## Hard Hat Scholars is Back!

We're breaking ground on new careers in the A/E/C industry! We celebrated the arrival of our brand new class of **2023 Hard Hat Scholars** on January 21. We could not be more excited to get started with this year's students to explore, learn, create and innovate. **Let's go HHS team!**

## Project Update!

## We're Rising to the Top!

Kitchell recently celebrated topping out on the new **Modesto Courthouse** project. When complete, this new eight-story courthouse, which includes 27 courtrooms with associated chambers, jury rooms, administrative areas, public spaces, building support, detention areas and central holding, will consolidate seven court facilities and serve to increase efficiency by centralizing operations. Congratulations to the project team on reaching this milestone!

## Yolo Branch Library Grand Opening!

Get your reading glasses on - the library is open! Kitchell recently celebrated the grand opening of the new **Yolo Branch Library**, providing a new, larger space to replace the existing facility which was over 100 years old. The new library provides a community room for library programs, public access computers, meeting space and supports programs including adult literacy tutoring, childhood literacy programs and homework help, social activities for adults and seniors and other community services.
